BRONZE TABLETS

DEPARTMENT T OF THE GORHAM COMPANY ARCHITECTURAL BRONZE.

THIS department specializes in the designing and the production of Bronze Tablet work of every description and character.

We offer this catalogue as a medium for assisting the intending purchaser in making a selection.

Bronze readily offers itself as an ideal material for Tablets and Memorial Work, whether it be used for commercial purposes or for the more enduring memorial which transfers to posterity the record and memory of those we wish to honor.

Our Service Department offers every facility for the complete handling of designs, models and prices to meet any requirement through submission of drawings, sketches, photographs and quotation.

REQUEST FOR DESIGN AND PRICES.

The intending purchaser will greatly assist us in preparing the Designs and Prices by giving us the following information.

Catalogue Numbers.

Give us the Catalogue Number of any design or designs that you regard most favorably for the purpose intended.

Size.

Give size of proposed Tablet or Directory in inches, giving width first and height second, as 30" x 40" over all.

Location and Material.

Give details of location and material upon which Tablet is to be placed, etc. A photograph is always desirable.

Inscription.

Give inscription as to Names, Dates, etc., being most careful with regard to spelling.

If under appropriation give amount.

If the work has to be produced under an appropriation give the amount.

Installation of work.

Are we to erect and complete the work?

All our prices are quoted on work crated, f. o. b. Providence, R. I., unless specifically requested otherwise.

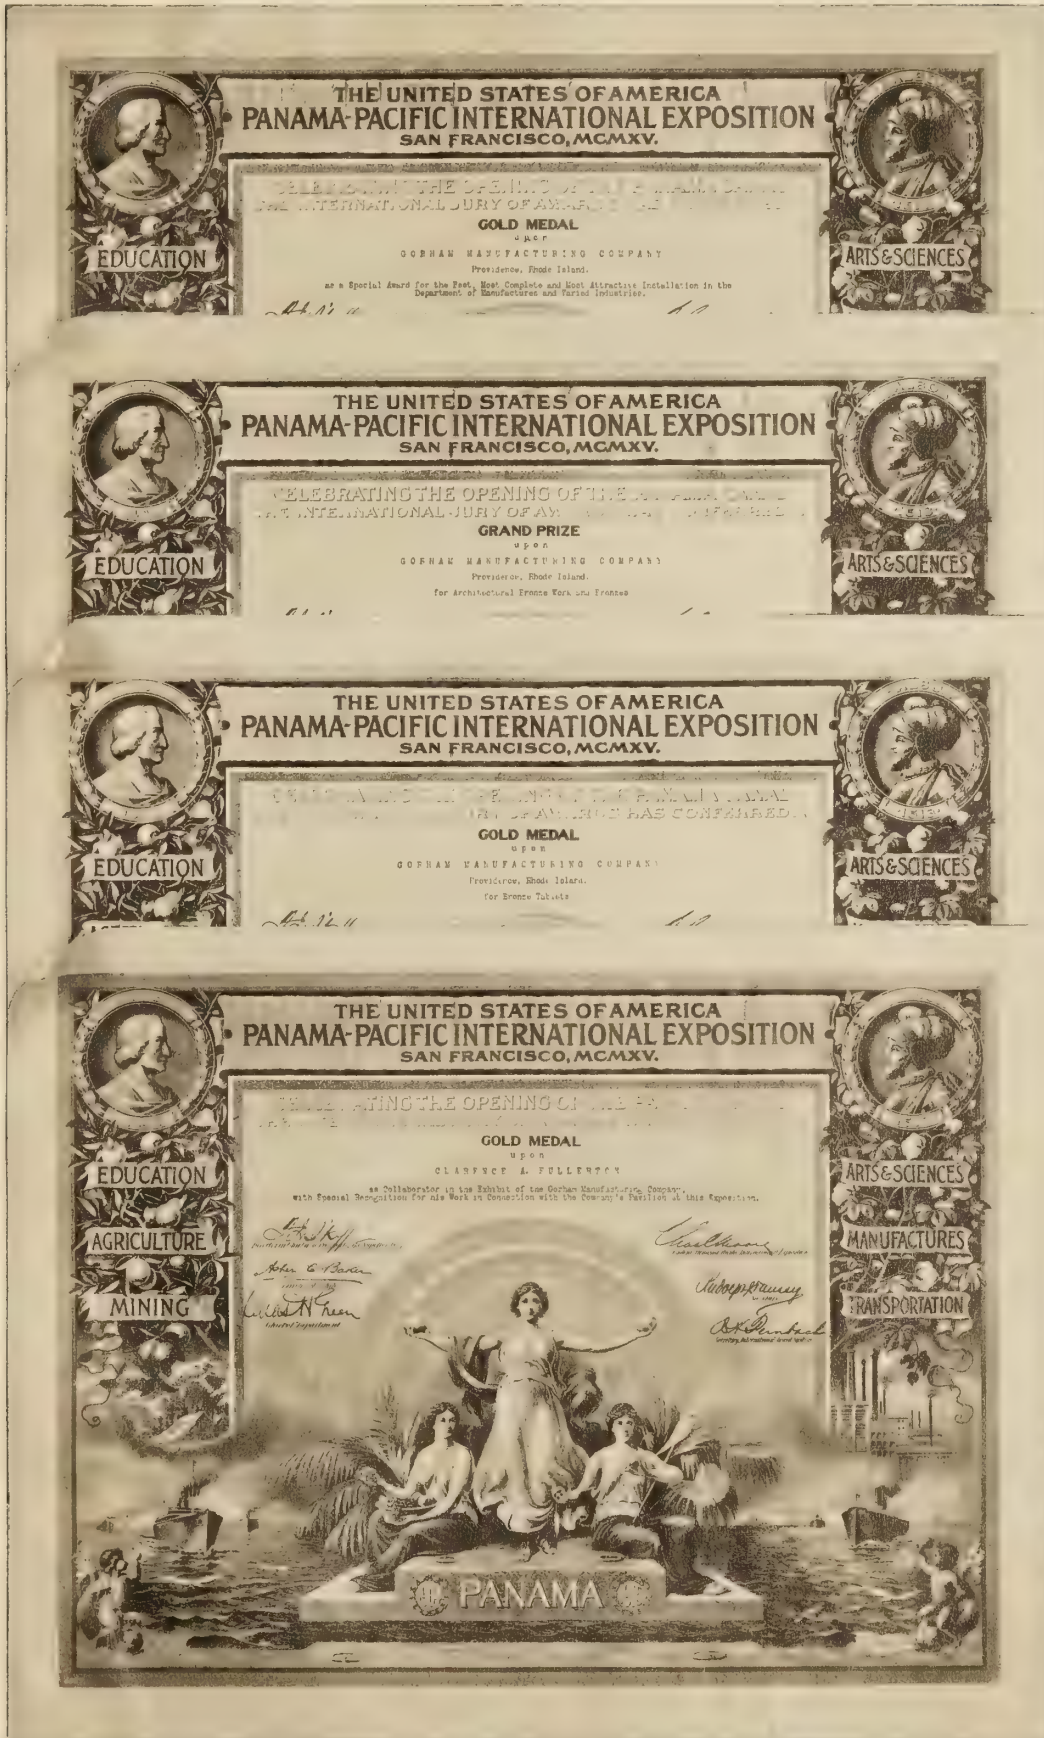

Models furnished us.

When models are furnished us they are to be crated and delivered to the Gorham Co. Architectural Bronze at either our New York Office, or our plant in Providence, R. I., at owner's risk. Any repairs to models received will be charged for at cost.
